

Central King Location

Location: King

Acreage: 15.5 Acres

Price: \$1,595,000.00

Great opportunity, 15.5 acre partially wooded property on 7th Concession. Two houses, great westerly views, tennis court, spring fed pond and very private. Main residence is nestled into the hillside and framed by forest. This bright open concept bungalow provides great views in every direction, several outdoor sitting areas, gardens and mature landscape trees.

Large living room has a wall of windows to take advantage of the westerly views and includes a substantial fieldstone fireplace, cathedral ceiling and pegged oak flooring. The dining room is open to the living room and provides an interesting space for entertaining.

The updated kitchen was professional designed to include a breakfast bar, ample marble counter space, professional grade appliances and views in all directions. The family room which is combined with the kitchen offers a casual space for gatherings of all sizes. The glass wall brings the outside environment into the living space.

The master suite features an en-suite luxury bath, walk-in closet and a sauna. There is a second bedroom on this level and a 4-piece washroom with a glass walled, whirlpool tub.
